

What are Milestones

Milestones are developmental markers that we celebrate throughout our lives. They are usually firsts. We celebrate the usual first tooth, first steps, first word. We also celebrate the firsts of our faith lives beginning with baptism, beginning Sunday School, celebrating communion for the first time, receiving a first Bible and more. At First Presbyterian Church of Birmingham we hope to help families connect their faith with everyday life. Growing in faith happens beyond Sunday mornings, and we seek to equip parents and children to find ways to grow at home.

Milestone events are intended to provide child and parent time together. They are either scheduled for Sundays during Sunday School or immediately following the 10am service. Each event includes a snack or meal, opportunities to meet other families, and hands-on activities to promote learning.

Please check our church communications for the most up-to-date information. We ask families to pre-register so that we have enough food and supplies for everyone.

The Mission of Children and Family Ministries

is to provide educational, social and mission opportunities to connect all children and their families with Jesus Christ and our church community.
